# 'World's Largest' ice cream social

**C**old Stone Creamery at Irvine Spectrum Center scooped it up for a good cause at the local edition of the 9th Annual World's Largest Ice Cream Social on Sept. 30. The fundraiser, held at Cold Stone locations worldwide, benefited the Make-A-Wish Foundation.

From 5 p.m. to 8 p.m., Cold Stone provided free servings of "Kate's Creation," a 3-ounce serving of caramel apple ice cream, graham cracker crust, chocolate shavings and apple pie filling. The concoction was conceived by an 11-year-old Make-A-Wish child from Tampa, Fla., who suffers from a life-threatening spinal condition. Last year, the event raised \$390,000 in donations nationwide for the foundation. The total reached this year is still unknown.

Fundraiser participants included Irvine Mayor Sukhee Kang, Irvine Police Chief David L. Maggard, O.C. Fire Authority Keith Richter and University High Principal John Pehrson. Their efforts were supported by members of the Rancho Irvine National Charity League Inc. — *Content submitted by National Charity League*
